

Clément MERCIER

23 years old

Motivated and
passionate

Personal Profile

I'm a French guy. After my two-year diploma in IT, I continued my studies in a professional Bachelor in Web development. I'm able to create websites from scratch using PHP, MySQL, HTML5 & CSS3... Enthusiastic and motivated, I make each project like it's the first ! I also like working in teams. Currently, I'm studying hard for my Bachelor degree, and trying to improve my English.

Experience

2019 – 6 months – SAUR (Water collection, treatment and distribution) – Pulligny – employee – technician
